2. Then cut it out

3. make a loop from a clear acetate strip about this size

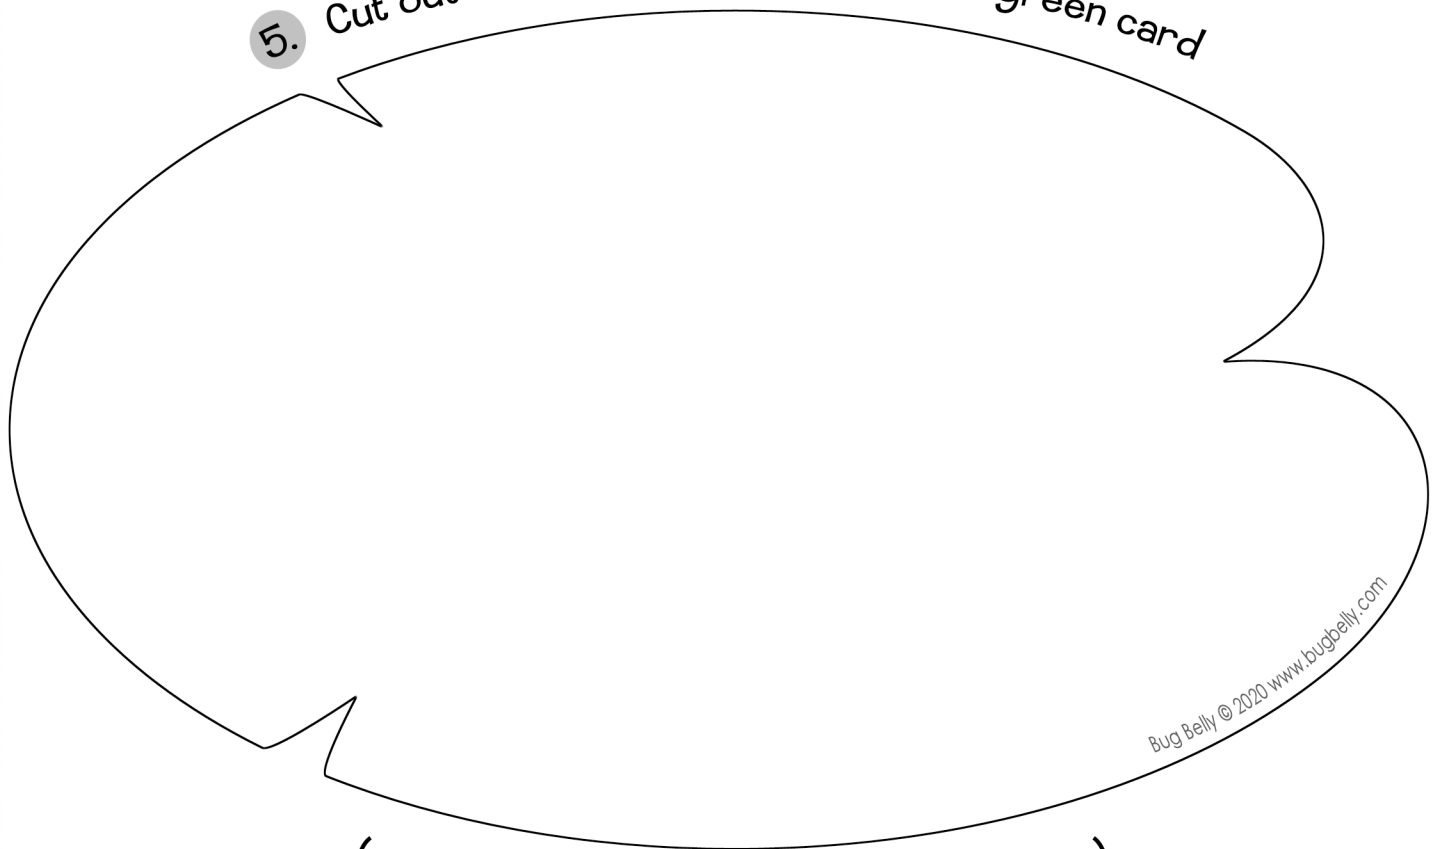

use blobs of  
BluTack or  
loops of  
sticky tape

4. Stick Bug Belly on top of the acetate loop

5. Cut out this shape of a lily pad from green card

(or you could use a blue circle, for water)

6. Stick Bug Belly and the loop into the middle of the lily pad

The finished wobbler should look like this
