

FAT CAKES

Make some fat cakes to attract birds to your neighbourhood.

BIRDSEED
You can buy seeds for wild birds.

Add dried fruit or grated cheese if you have some.

LARD
Melt the lard by putting the bowl in hot tap water.

1. Add all the ingredients and mix everything together!

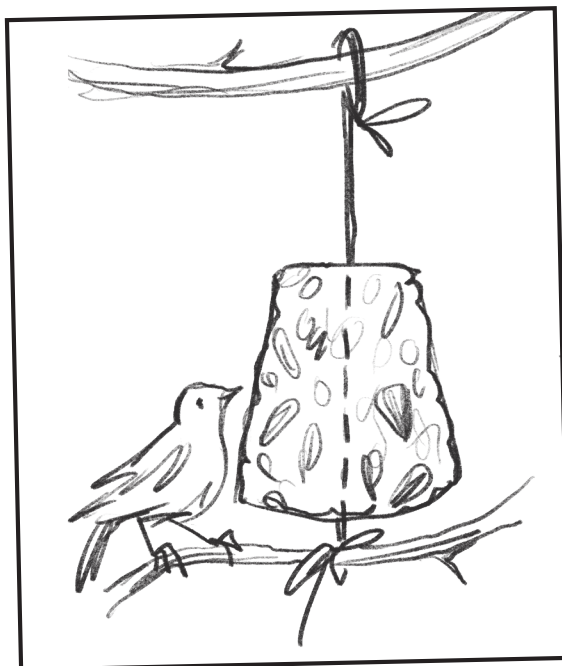

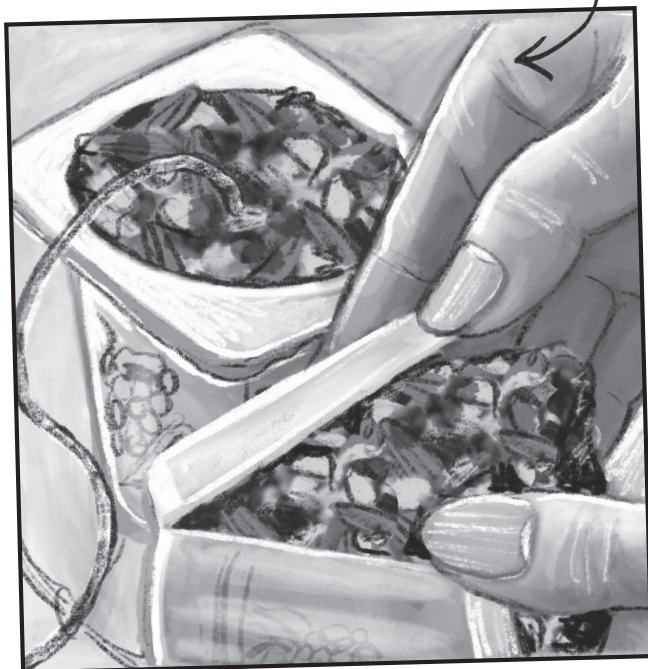

String

2. Pour the mixture into empty yoghurt pots and chill in the fridge. When set, poke a hole through with a skewer stick. Harden in the freezer.

WARNING:

Get a grown-up to help you!

3. When the mixture is hard, cut off the yoghurt pots.

4. Thread string through each fat cake and tie one end to a stick.
