

MATCH THE CLOUD

Meet Cotton Cloud's friends.
Match each picture with the
correct description.

CUMULUS

These puffy clouds
make different shapes
and usually appear
on sunny days.

STRATUS

These clouds hang low
and hug the horizon
like a big blanket.

CIRRUS

These wispy,
feather-like clouds
are found high in
the sky and are made
of ice crystals!

NIMBOSTRATUS

These big, dark,
low-hanging clouds
are filled with water.
They block out the
sun and bring rain!

FUN FACT!

A cloud is made of water
drops or ice crystals
floating in the sky.
